Advice

Advice will be updated after the meeting.

Background

Comcell has applied for the temporary road closures of Sands and Day Streets from 5am to 9pm on Sunday 27 September 2026 for construction activities.

Comments

The proposed temporary road closures are required to allow a mobile crane to be used to lift equipment off 150 Bathurst Street, Sydney (Park Royal Darling Harbour).

The Applicant has provided a site-specific Traffic Guidance Scheme that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closures.

There are currently no other approved temporary road closures proposed to take place on the same day in this area.

The temporary road closures will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

Transport for NSW (TFNSW) raised no objections to the Traffic Management Plan (TMP).

Consultation

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

Financial

All costs associated with the proposed closures will be borne by the applicant.
