5.2 Petitions

Petition for Improved Waste Collection at and around 20 Fitzgerald St, Newtown

Councillor Linda Scott gives notice that, at the meeting of Council on Monday, 10 December 2018, she will table and speak to a petition with the following terms:

The community living around 20 Fitzgerald Street, Newtown is unhappy about the excessive street litter and dumping in our area. In addition, the entrances to many of our homes and gardens are lined with overflowing garbage bins because Council will not service the two bin rooms at 20 Fitzgerald Street. The bins are unsightly, attract dumping, damage our gardens and create excessive maintenance for both Council and the community living there.

The primary properties impacted are four unit blocks at 10 + 20 Fitzgerald St and 130 + 138 Carillion Ave – homes to hundreds of people.

We, the undersigned, request that the City of Sydney: **1.** Collect all bins from the two purpose-built bin rooms at 20 Fitzgerald Street St Newtown (Elms & Domain buildings). **2.** Collect all bulky household items from inside the same two bin rooms. **3.** Develop a proactive system for the removal of dumped waste in and around Fitzgerald St, Rochester Street, Brown Street and Carillion Ave (from Missenden Rd to Northwood Ave) in Newtown.

Recommendation

It is resolved that the Petition be received and noted.
