## Decision

Decisions will be updated after the meeting.

## Background

Event and Sports Projects Australia has applied for the temporary road closure of the westbound traffic lanes on Moore Park Road, Moore Park between Cook Road and Driver Avenue, for the 2018 Michael Buble Concert on Friday 5 October 2018 for egress of patrons from the venue, from 9.30pm to 11.30pm.

## Comments

The Michael Buble Concert is a musical event occurring in Allianz Stadium on Friday 5 October 2018, with Gates Open from 5:00pm, and finishing at 10.30pm with 35,000-40,000 patrons expected to attend. The event may require the temporary closure of westbound traffic on Moore Park Road, Moore Park and traffic management around the event location.

A Road closure may be implemented by the NSW Police Surry Hills Local Area Command from 9.30pm to 11.30pm to assist with the safe movement of pedestrians exiting out of Allianz Stadium. This temporary road closure is to be activated, if required, by NSW Police as late as necessary for the safe egress of the event crowd.

Traffic travelling westbound into Moore Park Road will be diverted to stay on Oxford Street to travel towards the City or south onto South Dowling Street. Vehicles travelling eastbound on Moore Park Road will be able to proceed through to the intersection of Oxford Street. The organisers will work with the Transport Management Centre to monitor flows along these roads to minimise disruptions to motorists.

Crowd control fencing will be installed along certain sections of Moore Park Rd with gaps at intersection crossings to provide pedestrians opportunities to cross the road at controlled pedestrian crossing points with the assistance of traffic controllers and NSW Police.

VMS messaging will be implemented on Cleveland, Flinders, South Dowling Streets and Anzac Parade to notify drivers of delays and detours, using permanent VMS and standard TMC messaging for major events in this area.

A 40km/hr speed zone will be activated on Moore Park Rd between Greens Rd and Poate Rd from 3pm – 11:30pm.

Special Event Clearways are to be installed by the TMC on the southern side of Moore Park Rd between Poate Rd and Anzac Parade from 3pm (tbc) – 12midnight.

The temporary road closure will not affect any other properties as local access will be provided at all times and alternative access routes are available nearby.

SCGT will provide a general notification letter about the Concert, sound checks, and timing of road closures that may restrict vehicle movements throughout the local area.
