## **Background**

Sydney Metro TSE (JHCPBG JV) has applied for the temporary road closure of Castlereagh Street, Sydney, between King and Hunter Streets, from 7am Thursday 27 December 2018 to 10pm Saturday 29 December 2018.

## **Comments**

The proposed temporary road closure is required to allow a mobile crane to be used to install a tower crane at 39 Martin Place.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in this area.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Roads and Maritime Services (RMS).

## **Consultation**

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

## **Financial**
