Decision

The Committee carried the recommendation unanimously out-of-session on 23 October 2018.

Background

On 23 September 2018, the Committee endorsed an out-of-session approval for the temporary road closure of Ebsworth Street, Zetland, between Bourke Street and Tweed Place from 6.30am on Saturday 13 October to 5.30pm on Sunday 14 October 2018 and from 6.30am on Saturday 20 October to 5.30pm on Sunday 21 October 2018 as a contingency date.

Due to the weather, the removal of the tower crane was delayed. The Applicant is now seeking approval for the closure to occur from 6.30am on Friday 2 November 2018 to 5.30pm on Saturday 3 November 2018 with Friday 9 November 2018 to Saturday 10 November as a contingency.

Comments

The proposed temporary road closure is required to allow a mobile crane to be used to dismantle a tower crane at 301-303 Botany Road, Zetland.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in this area.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Roads and Maritime Services (RMS).

Consultation

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

Financial

All costs associated with the proposed closure will be borne by the applicant.
