ANNEXURE A

– Affordable Housing Contribution

1. BASE MONETARY CONTRIBUTION

The base monetary contribution for Affordable Housing is as follows:

BASE MONETARY CONTRIBUTION (TO BE PROVIDED) = MONETARY CONTRIBUTION RATE X TOTAL FLOOR AREA

WHERE:

Monetary contribution rate is:

- (a) \$48.71 per square metre, if a development application is lodged between 1 June 2018 and 31 May 2020; or
- (b) \$97.41 per square metre, if a development application is lodged on or after 1 June 2020.

Total floor area means the total of the areas of each floor of a building within the outer face of the external enclosing walls and including balconies, but excluding the following:

- (a) columns, fins, sun control devices, awnings and other elements, projections or works outside the general lines of the outer face of the external walls,
- (b) any area of a balcony that is more than the minimum area required by the consent authority in respect of the balcony,
- (c) the maximum ancillary car parking permitted by the consent authority and any associated internal vehicular and pedestrian access to that car parking,
- (d) space for the loading and unloading of goods.

2. INDEXATION OF RATES

Adjustments are to be made to the monetary contribution rates in Annexure A Clause 2 to account for movements in the cost of housing over time on a quarterly basis, within one week of the first days of March, June, September and December each year.

Rates are adjusted with reference to movements in the median price for strata dwellings in the City of Sydney LGA. The median strata dwelling price is published quarterly in the NSW Government Rent and Sales Report, Table: Sales Price – Greater Metropolitan Region – Strata.

The formula for adjusting the contribution amount is:

Monetary Contribution = Base Contribution Amount x (MDP2/MDP1)

Where:

The Base Contribution Amount is the amount calculated in accordance with Annexure A Clause 1, based on the contribution rates applicable at the time of lodgement of the DA.

MDP1 is the median strata dwelling price applied on the date this agreement commenced in accordance with clause 3.1 of this document

MDP2 is the median strata dwelling price that applies at the time of payment of the Monetary Contribution.

Monetary contributions are adjusted and to be confirmed with the City prior to payment being made.

If after the formula is applied the Monetary Contribution will be less than the amount calculated in accordance with Annexure A Clause 2, the Monetary Contribution will not be adjusted.

3. **PAYMENT**

Payment will be by unendorsed bank cheque to the City prior to issue of any construction certificate. In circumstances where no construction certificate is required, payment is required prior to commencement of use/occupation.

4. **CREDIT**

For the removal of doubt, a monetary contribution made under this Annexure A may be considered to be a credit towards any future requirements for monetary contribution relating to affordable housing under Sydney Local Environmental Plan 2012.

In the event the monetary contribution required under a Sydney Local Environmental Plan 2012 is less than the amount calculated in accordance with Annexure A, the full contribution amount as calculated under Annexure A will still be required.

ANNEXURE B

Infrastructure Contribution

1. MONETARY CONTRIBUTION RATE

- (a) Mapped FSR of 8:1;
- (b) Any type of additional floor space under Clause 6.4 to 6.9 of Sydney Local Environmental Plan 2012.

2. INDEXATION OF RATES

Adjustments are to be made to the monetary contribution rates in Annexure B Clause 1 as follows:

Monetary Contribution (to be provided) = Monetary Contribution (as per Annexure B Clause 1) x (A/B)

Where:

A is the Index Number most recently published before the date the Monetary Contribution is to be paid

B is the Index Number most recently published before the date this agreement commenced in accordance with clause 3.1 of this document

3. PAYMENT

Payment will be by unendorsed bank cheque to the City prior to issue of any construction certificate. In circumstances where no construction certificate is required, payment is required prior to commencement of construction works for the Development.
