Shannon Reserve Playground Context

Shannon Reserve, Surry Hills

Sydney 2030/

Overview

We would like your feedback on the concept design for a new playground in Shannon Reserve, Surry Hills.

This park is home to the popular Surry Hills markets and a well-loved but tired children's playground. The monthly markets will be retained in the park.

We worked with students of Bourke Street Public School to come up with new ideas for the playground. Their ideas helped to shape this concept design.

This work is part of our small parks and playgrounds renewal program.

HAVE YOUR SAY

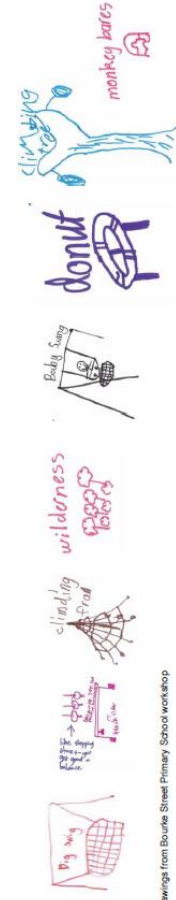

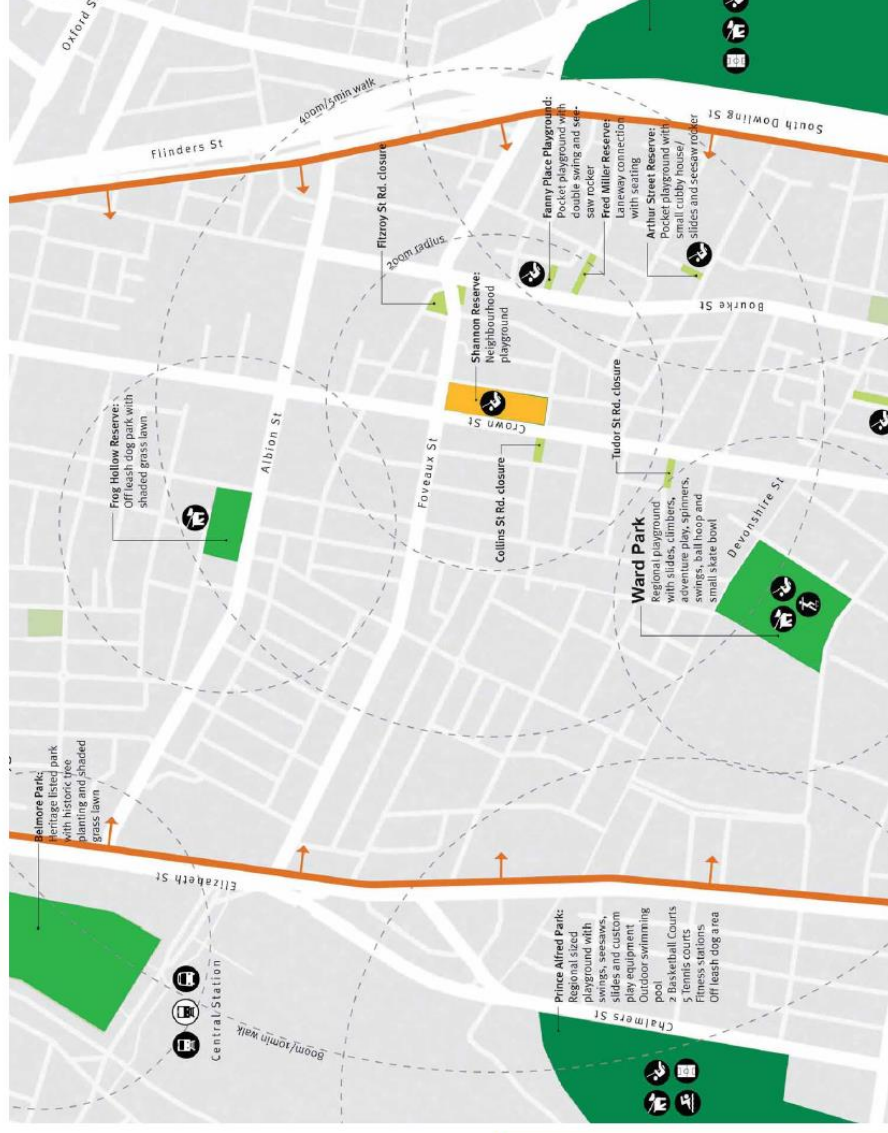

You can view the draft design and give your feedback at sydneyyoursay.com.au until 5pm on Monday 22 October.

If you would like to speak to a Council Officer about this project, you can contact
