## **Decision**

Decisions will be updated after the meeting.

## **Background**

Adams Traffic Management Pty Ltd has applied for the temporary road closure of Seymour Place, Paddington, between South Dowling and Selwyn Streets, from 10am to 1pm on 21 March, 18 April, 16 May, 13 June, 11 July, 8 August, 5 September, 3 October, 31 October, 28 November and 26 December 2019.

## **Comments**

The proposed temporary road closures are required to allow a mobile crane to maintain and/or replace an existing advertising sign, at least once a month, at 378 South Dowling Street, Paddington.

Similar temporary closures have occurred in proceeding years without any traffic-related concerns being raised.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closures.

There are currently no other approved temporary road closures proposed to take place on the same day in this area.

The temporary road closures will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Roads and Maritime Services (RMS).

## **Consultation**

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

## **Financial**

All costs associated with the proposed closures will be borne by the applicant.
