Background

Duffy Kennedy Constructions Pty Ltd has requested an 27.6 metres long Works Zone in Elizabeth Street, Waterloo.

The Works Zone is to facilitate construction works at 707-711 Elizabeth Street, for a period of approximately 52 weeks.

Comments

The kerb space on the western side of Elizabeth Street, Waterloo, south of Allen Street, where the Works Zone is proposed, is currently signposted as "Bus Zone".

The Works Zone is intended to operate from 7.30am to 5.30pm, Monday to Friday and 7.30am to 3.30pm Saturday in accordance with the Development Consent Conditions. Outside of the construction hours, the kerb space where the Works Zone is proposed, will revert to "Bus Zone".

To maintain bus operations, while the Works Zone is operating, the City would extend the "Bus Zone" past the Applicant's driveway.

As there are trees located within, and adjacent to the Works Zone, the applicant must obtain separate approval from the City's Tree Management Team if loading and/or unloading from the Works Zone will impact on adjacent trees.

Consultation

The applicant must notify adjacent properties at least 14 days prior to the implementation of the Works Zone.

Financial

All costs associated with the Works Zone will be borne by the Applicant.
