

Item 23.**Works Zone - King Street, Sydney****TRIM Container No.: 2018/645434****Recommendations**

It is recommended that the Committee endorse the reallocation of the kerb space on the northern side of King Street, Sydney, between the points 23.9 metres and 46.9 metres east of George Street as "Works Zone 7am-7pm Mon-Fri 7am-5pm Sat" and "No Stopping Other Times", subject to the following conditions:

- (A) The Applicant must comply with the Works Zone conditions as stipulated in Schedule C of this agenda.
- (B) The Applicant is not permitted to operate any part of a crane over a public road or hoist/swing goods from a Works Zone across or over any part of a public road by means of a lift, hoist or crane unless a separate approval has been obtained from the City's Construction and Building Certification Services Unit as required under Section 68 of the Local Government Act 1993 and Section 138 of the Roads Act 1993.
- (C) Works for major transport projects, such as the CBD and South-East Light Rail (CSELR) project and the Sydney City Centre Access Strategy, are currently being undertaken in the City's Local Government Area and have priority access and use rights over City owned or controlled land including roads and footpaths. The City may at any time, and with at least one business days' notice to the Applicant, revoke, suspend or restrict the Works Zone:
 - if the Works Zone is required for a major transport project; or
 - is impracticable due to changes arising from a major transport project, such as traffic diversions; or
 - is otherwise unsuitable due to a major transport project.

The Applicant must make their own enquiries, on a regular basis, about the potential impact of major transport projects on the Works Zone and the construction program for its development site.

- (D) The Applicant is to obtain a Road Occupancy License from the Transport Management Centre prior to the commencement of works.
- (E) The Applicant must notify adjacent properties of the Works Zone at least 14 days prior to installation and must provide a telephone number of the supervisor responsible for the proposed Works Zone and include contact details in the notification letter to be distributed to affected stakeholders.

Background

Multiplex Constructions Pty Ltd has requested a 23 metre long Works Zone in King Street, Sydney.

The Works Zone is to facilitate construction works at 388 George Street, for a period of approximately 60 weeks.

Comments

The kerb space is on the northern side of King Street, east of George Street, where the Works Zone is proposed, is currently signposted as "No Stopping".

The Works Zone is intended to operate from 7am to 7pm Monday to Friday and 7am to 5pm Saturday in accordance with the Development Consent Conditions. Outside of these hours, the kerb space where the Works Zone is proposed, will revert to "No Stopping".

Consultation

The applicant must notify adjacent properties at least 14 days prior to the implementation of the Works Zone.

Financial

All costs associated with the Works Zone will be borne by the Applicant.
