

**Item 44.****Traffic Treatment - Kerb Island - Avenue Road, Glebe**

TRIM Container No.: S103684

**Recommendations**

It is recommended that the Committee endorse the installation of a kerb island between the points 8 metres and 11.5 metres on the northern side of Avenue Road, Glebe to provide a garden bed for a replacement tree.

**Decision**

Decisions will be updated after the meeting.

**Background**

The City of Sydney Strategic Plan (Sydney 2030) includes a commitment to increase tree canopy cover by 50% by the year 2030. The aim of this proposed garden bed is to provide a tree.

### **Comments**

This proposal would help to improve general safety in the area by reducing the speed of traffic travelling along Avenue Road. This measure is part of the City's commitment to calm traffic and improve residential amenity. There is no loss of parking.

### **Consultation**

The City consulted local residents and businesses in the area. There were 45 letters sent out with no responses received.

### **Financial**

Funds are available in the current capital works budget.
