Background

Kane Constructions has applied for the temporary road closure of Bay Street, Glebe, between Queen and William Henry Streets (four lanes), from 1am on Sunday 2 June 2019 to 5am on Monday 3 June 2019.

Comments

The proposed temporary road closure is required to allow a mobile crane to be used to dismantle a tower crane from the frontage of 1-5 Wentworth Street.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in this area.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Roads and Maritime Services (RMS).

Consultation

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

Financial

All costs associated with the proposed closure will be borne by the applicant.
