Background

H & M Constructions (NSW) Pty Ltd has requested an extension to the existing Works Zones in William Street, Alexandria, by 25 metres.

The Works Zone is to facilitate construction works at 31-41 William Street, for a period of approximately 26 weeks.

Comments

The kerb space on the western side of William Street, Alexandria, between Beaconsfield and Collins Streets, where the additional Works Zone is proposed, is currently unrestricted for parking, between two other Works Zones.

The additional Works Zone is intended to operate from 7.30am to 5.30pm Monday to Friday and 7.30am to 3.30pm on Saturdays in accordance with the Development Consent Conditions. Outside these hours, on-street parking, where the Works Zone is proposed, will revert back to unrestricted parking.

As there are trees located within, and adjacent to the Works Zone, the Applicant must obtain separate approval from the City's Tree Management Team if loading and/or unloading from the Works Zone will impact on adjacent trees.

Consultation

The applicant must notify adjacent properties at least 14 days prior to the implementation of the Works Zone.

Financial

All costs associated with the Works Zone will be borne by the Applicant.
