## **Decision**

Decisions will be updated after the meeting.

## **Background**

Adams Traffic Management Services has applied for the temporary road closure of King Street, Sydney, between York and Pitt Streets (four lanes), from 3am to 11pm on Sunday 5 May 2019.

## **Comments**

The proposed temporary road closure is required to allow a mobile crane to be used to install a tower crane from the frontage of 388 George Street, Sydney.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in this area.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Roads and Maritime Services (RMS).

## **Consultation**

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

## **Financial**

All costs associated with the proposed closure will be borne by the applicant.
