Corporate Sponsorship Policy

Corporate Sponsorship Policy

~~2014~~2019

1.0 Introduction

1.1 Purpose

This Policy outlines the City's approach to dealing with sponsorship and details the types of sponsorship arrangements the City will undertake. This Policy may be read in conjunction with the City's Corporate Sponsorship Procedure 2014 which details the process that supports the implementation of this Policy.

The City has a range of responsibilities to deliver programs and services under a wide range of legislation. It also produces events which contribute to the vibrant cultural life of Sydney and are generally free to the public. By seeking and receiving sponsorship, the City provides additional resources with which to support specific activities or programs. In addition, the success and public exposure of an activity can be enhanced by sponsorship providing better visitor experiences.

Through sponsorship, the City can enhance, extend or reduce the cost of current activities or programs or develop new ones. This is in line with Sustainable Sydney 2030 Strategic Direction objective 10.5.1 which expresses the City's intention to "expand revenue from commercial operations, property portfolio and other income generating assets". The City can do this by providing benefits to private sector companies or other government agencies in exchange for money, goods or services to support their activities. In some cases, a sponsor can participate in City events by producing their own associated event.

1.2 Preface

The City has the opportunity to develop world class sponsorships with organisations encouraging and fostering innovation and creativity. During the community consultation for Sustainable Sydney 2030, residents of the City expressed their wish for a city that is vibrant and active. Through the development of sponsorships with a variety of organisations, the City can better implement the Sustainable Sydney 2030 Plan.

1.3 Scope

This Policy applies to all incoming sponsorships received by the City. It does not apply to outgoing grants and sponsorships given by the City which are covered by the City's Grants and Sponsorships Policy.

This Corporate Sponsorship Policy outlines:

- what sponsorships the City will and will not undertake;
- the responsibilities of all parties involved in a sponsorship arrangement in order to ensure there is neither conflict of interest nor negative impact on the City's reputation or probity;

- the process for attracting sponsors; and
- the sponsorship approval process.

- (c) Organisations that receive some or all of their income from the provision of gambling activities or the sale of alcohol may provide sponsorship to the City for events that are considered by City staff to be appropriate.

2.5 Ethics Framework

The City of Sydney will avoid entering into sponsorship agreements with enterprises which are considered to:

- (a) pollute land, air or water;

2.6 Retainment of discretion to reject Sponsorship

The City retains the discretion not to accept sponsorship from any entity for any reason.

2.7 Conflict of Interest and Personal Benefits

Any sponsorship arrangement the City undertakes must not compromise the City's reputation, public image, probity or its ability to fulfil its legislative functions. Any sponsorship arrangement must not impose or imply conditions that would limit or be perceived to limit the City's ability to carry out its functions fully and impartially. There should be no actual or perceived conflict between the objectives and values of the City and that of the Sponsor.

All sponsorship proposals will be subject to an assessment process and consideration will be made by authorised City staff of conflict of interest issues that may arise prior to entering into negotiations with potential sponsors. Information will be provided to potential sponsors about the City's expectations, objectives, ethical requirements, sponsor benefits, sponsorship procedures and the criteria against which a proposal will be assessed.

The City will not enter into sponsorship arrangements with a potential sponsor whose interests, objectives and/or mission are in actual conflict with those of the City.

Conflicts arising from personal relationships or financial arrangements of staff involved in sponsorship assessment, approval or administration will be managed in accordance with the conflict of interest provisions of the City's Code of Conduct.

No employee may seek or receive a personal benefit or be perceived to receive a personal benefit from a sponsorship. Any contribution from the sponsor must be received by the City, not directly to an individual, and must be seen to benefit the City, not an individual.

Sponsors should be aware of and comply with the City's Statement of Business Ethics.

2.8 Attracting Sponsors

In order to ensure equitable opportunities for the business community and other interested parties to consider Sponsorship of the City's Sponsorship Assets, the City will promote this opportunity via a two-stage process:

(a) Expression of Interest advertisement

The City will place an annual Expressions of Interest advertisement to ensure the business community and other relevant government and non-government agencies have the opportunity to participate in sponsorship opportunities.

(b) Pitching a sponsorship

The City may identify potential sponsors for the City's Sponsorship Assets and may wish to initiate direct contact with the potential sponsor or via third parties that represent the potential sponsor such as advertising, media, public relations, experiential or event agencies. The City may also decide to use an external agent to secure sponsorship.

2.9 Contracting Sponsors

Financial decisions in relation to sponsorship arrangements will be made in accordance with the requirements of the Local Government Act 1993. ~~Monies received from related entities will be considered to have been part of the same sponsorship agreement for the purposes of calculating the relevant totals.~~ ***It is at the City's discretion where the cash received from the Sponsor is spent.***

2.10 Managing the sponsorship

A management plan and legally binding agreement must be entered into for each sponsorship arrangement in accordance with the City's approved procedures, delegations and probity arrangements. The sponsorship agreement must not impose or imply conditions that would limit, or appear to limit, the City's ability to carry out its functions fully and impartially.

2.11 Transparency of information

Information about sponsorships (excluding monetary values) will be available to the public on request. The City will maintain a register of sponsorships.

All details of each sponsorship will be listed in the City's Annual Report. The value of the sponsorship will not be published as if disclosed would confer a commercial advantage on a person with whom Council is conducting (or proposes to conduct) business as referred to in Section 10A(2)(c) of the Local Government Act 1993.

2.12 Evaluation

Regular financial and performance audits will be conducted in relation to sponsorship arrangements.
