**Background**

The City is committed to providing dedicated parking for car sharing across the Local Government Area as part of a Council approved Car Share Policy. A submission has been

received from Car Next Door for a car share space in Bourke Street, Redfern, north of Chelsea Street.

### **Comments**

The kerb space on the western side of Bourke Street, Redfern, between Chelsea Street and Cleveland Street, is currently signposted as "2P 8am-6pm Mon-Fri Permit Holders Excepted Area 41".

The car share space will be installed and managed in accordance with the Roads and Maritime Service's Technical Direction 2018/001 and the provisions of the Council-approved Car Share Policy.

Car sharing is popular in more than 600 cities worldwide, and research has shown substantial environmental benefits. Car sharing reduces total urban driving, reduces household vehicle holdings, and increases walking, cycling and public transport use.

On average, each car share vehicle in the City can replace up to 12 private vehicles that would otherwise compete for parking.

Within a 250 metre radius of this location, there are currently no spaces allocated for Car Next Door car share vehicles.

### **Consultation**

The City consulted local residents and businesses in the area. There were 39 letters sent out with no responses supporting or opposing the proposal.

### **Financial**

Funds are available in the current budget.
