Background

The City is committed to providing dedicated parking for car sharing across the Local Government Area as part of a Council approved Car Share Policy. A submission has been

received from Popcar for a car share space in Linthorpe Street, Newtown, east of Erskineville Road.

Comments

The kerb space on the southern side of Linthorpe Street, Newtown, east of Erskineville Road, where the car share space is proposed, is currently unrestricted for parking.

The car share space will be installed and managed in accordance with the Roads and Maritime Service's Technical Direction 2018/001 and the provisions of the Council-approved Car Share Policy.

Car sharing is popular in more than 600 cities worldwide, and research has shown substantial environmental benefits. Car sharing reduces total urban driving, reduces household vehicle holdings, and increases walking, cycling and public transport use.

On average, each car share vehicle in the City can replace up to 12 private vehicles that would otherwise compete for parking.

Within a 250 metre radius of this location, there are currently no spaces allocated for Popcar car share vehicles.

Consultation

The City consulted local residents and businesses in the area. There were 235 letters sent out with no responses supporting the proposal and one response opposing the proposal due to the loss of parking.

Financial

Funds are available in the current budget.
