**Background**

The City is committed to providing dedicated parking for car sharing across the Local Government Area as part of a Council approved Car Share Policy. A submission has been received from Popcar for a car share space in Purkis Street, Camperdown, west of Lyons Road.

**Comments**

The kerb space on the northern side of Purkis Street, west of Lyons Road, is currently signposted as "1P 8am-5.30pm Mon-Fri".

The car share space will be installed and managed in accordance with the Roads and Maritime Service's Technical Direction 2018/001 and the provisions of the Council-approved Car Share Policy.

Car sharing is popular in more than 600 cities worldwide, and research has shown substantial environmental benefits. Car sharing reduces total urban driving, reduces household vehicle holdings, and increases walking, cycling and public transport use.

On average, each car share vehicle in the City can replace up to 12 private vehicles that would otherwise compete for parking.

Within a 250 metre radius of this location, there are currently one space allocated for Popcar car share vehicles.

**Consultation**

The City consulted local residents and businesses in the area. There were 452 letters sent out with one response supporting the proposal and no responses opposing the proposal.

**Financial**

Funds are available in the current budget.
