

**Item 33.****Car Share - Confectioners Way, Roseberry**

TRIM Container No.: 2019/068918

**Recommendations**

It is recommended that the Committee endorse the allocation of parking on the southern side of Confectioners Way, Roseberry, between the points 12.7 metres and 19.3 metres (one car space), west of Roseberry Avenue as "No Parking Authorised Car Share Vehicles Excepted Zone 846" subject to the following:

- (A) The City will only install signage for the car share space when GoGet has a car to occupy the space.

**Decision**

Decisions will be updated after the meeting.

**Background**

In July 2017, the Local Pedestrian, Cycling and Traffic Calming Committee endorsed a parking space in the indented bay on the southern side of Confectioners Way, west of

Roseberry Avenue as "No Parking" in order to preserve the space for a future car share space.

A submission has now been received from GoGet for a car share space in Confectioners Way, Roseberry, west of Roseberry Avenue, and subsequently the City proposes to reallocate the no parking space to be used for car share.

### **Comments**

The kerb space on the southern side of Confectioners Way, Roseberry, between the points 12.7 metres and 19.3 metres, is currently signposted as "No Parking".

The car share space will be installed and managed in accordance with the Roads and Maritime Service's Technical Direction 2018/001 and the provisions of the Council-approved Car Share Policy.

Car sharing is popular in more than 600 cities worldwide, and research has shown substantial environmental benefits. Car sharing reduces total urban driving, reduces household vehicle holdings, and increases walking, cycling and public transport use.

On average, each car share vehicle in the City can replace up to 12 private vehicles that would otherwise compete for parking.

Within a 250 metre radius of this location, there are currently four spaces allocated for GoGet car share vehicles.

### **Consultation**

No consultation was required as the existing "No Parking" space was originally installed as part of adjacent development works to provide for a car share space in the future.

### **Financial**

Funds are available in the current budget.
