Major Events and Festivals Charity Partnerships

File No: X024197.004

Summary

The City appoints a Charity Partner for each of its three major events: Sydney Christmas, Sydney New Year's Eve and Sydney Lunar Festival. The charity and its event activation is promoted through event marketing and communication.

Association with each of these major events provides these charity organisations with an exclusive and highly visible platform. The partnership allows charities to build awareness of their work and integrate their fundraising activities into event programming. It also gives event audiences the opportunity to reflect on broader community issues and needs.

Charity Partners for each event are chosen through an open, competitive process. The recommended Charity Partners for the 2019/20 event season are:

Their proposed program to promote messages and awareness of refugee policies in Australia and around the globe provides a unifying message for humanity.

Sydney Lunar Festival - Fred Hollows Foundation

The Fred Hollows Foundation is an international development organisation which focuses on blindness prevention and Indigenous Australian health. The organisation was established 26 years ago by Professor Fred Hollows, an internationally acclaimed eye surgeon and activist for social justice. Key Implications

Social / Cultural / Community

25. The appointment of Charity Partners each year is intended to engender a favourable community sentiment for the selected charity, the City and the event.
26. As noted in the City's Cultural Policy, not only do festivals and special events add to a city's cultural layer, but they also bring economic benefits to businesses in the retail, hospitality and tourism sectors. Visitors come from interstate and around the world to be part of events such as Sydney New Year's Eve and Sydney Lunar Festival, which is the largest outside Asia. Through a charity partnership, not-for-profit organisations can leverage community awareness from the cross-promotional possibilities associated with these large international events.
27. As outlined in the City's Draft Inclusion (Disability) Action Plan 2017-2021 Direction 1: Positive Community Attitudes and Behaviours, the City aims to increase the understanding of the importance of social inclusion through community programming at City events. The role of the Charity Partner provides an opportunity for charities to increase opportunities for clients to participate in events, and a forum to conduct community awareness programs.

Budget Implications

28. Any activity or program delivered by the Charity Partner will be paid for by them. Additional activities undertaken by the City in alignment with the Charity Partner's programs is provided for within the 2019/20 budget of the Major Events and Festivals Unit.

Critical Dates / Time Frames

29. Signed Letters of Agreement with the appointed Charity Partners are required by mid-July 2019, to enable:
- (a) public announcement of the appointment as part of the first release of event information;
 - (b) sufficient timing to produce effective initiatives and attract sufficient numbers of volunteers to plan and implement such initiatives; and
 - (c) integration of partnership opportunities into event programming for the 2019/20 event season.
