

**Item 2.****Item for Committee Information - Timed Parking - Copeland Street, Alexandria**

TRIM Container No.: 2019/378535

**Recommendations**

It is recommended that the Committee endorse the reallocation of parking on the northern side of Copeland Street, Alexandria, between the points 18 metres and 36 metres (three car spaces) east of Newton Street, as "1/4P 7am-10am" and "2P 10am-10pm Permit Holders Exceeded Area 36".

**Advice**

Advice will be updated after the meeting.

**Background**

The Roads and Maritime Services (RMS) and the City have received a request from local businesses in Copeland Street, Alexandria, to introduce "1/4P 7am-10am" restriction to provide pick up and drop off for customers and increase the turnover of parking during the peak business period.

Copeland Street is a classified State Road under RMS control, therefore any parking changes are approved under their authority. However the proposal to install timed parking is supported by the City on behalf of the residents and local businesses.

### **Comments**

The kerb space on the northern side of Copeland Street, east of Newton Street, where the changes are proposed, is currently signposted as “2P 8am-10pm Permit Holders Excepted Area 36”.

The introduction of “1/4P 7am-10am” would increase turnover and facilitate pick-up and drop-off between the hours 7am-10am during the peak business period and limit any vehicle that does not have an Area 36 parking permit to two hours of parking from 10am-10pm seven days a week, where the signs are installed.

### **Consultation**

The City consulted local residents and businesses in the area. There were 86 letters sent out with no responses supporting or opposing the proposal.

### **Financial**

RMS will arrange for the necessary signposting changes.
