Advice

Advice will be updated after the meeting.

Background

The Sydney Glebe Point YHA has requested consideration for timed parking in Cotter Lane, Glebe, to improve the turnover of parking for visitors.

Comments

Parking on the southern side of Cotter Lane, between Glebe Point Road and Allen Lane, is currently unrestricted.

On-site inspection shows that there is need to introduce timed parking restrictions in order to turnover parking to improve access to parking for visitors. To be consistent with existing parking restrictions in the area, it is proposed to reallocated the unrestricted parking spaces as “2P 8am-6pm Mon-Fri”.

Consultation

The City consulted local residents and businesses in the area. There were 68 letters sent out with one response supporting the proposal and no responses opposing the proposal.

Financial
