Background

A local resident has requested consideration to introduce consistent parking restrictions and improve the turnover of parking in Ithaca Road, Elizabeth Bay.

Comments

Parking on the western side of Ithaca Road, where the parking change is proposed, is currently unrestricted.

In order to improve the turnover of parking and make parking restrictions consistent in the area, it is proposed to allocate the unrestricted parking space as "1P 8am-10pm Permit Holders Excepted Area 19 90° Angle Parking Front to Kerb Vehicles Under 6m Only".

The proposed parking change would limit any vehicle which does not have a permit to one hour of parking from 8am to 10pm, seven days a week.

Consultation

The City consulted local residents and businesses in the area. There were 441 letters sent out with no responses supporting or opposing the proposal.
