Advice

Advice will be updated after the meeting.

Background

Jim's Traffic Control (Hornsby) has applied for the temporary road closure of Ross Street, Forest Lodge, between Wigram Road and Grattan Close, from 6am to 6pm on Monday 16 December 2019.

Comments

The proposed temporary road closure is required to allow a mobile crane to be used for the demobilisation of a tower crane.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

There are currently no other approved temporary road closures proposed to take place on the same day in this area.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Roads and Maritime Services (RMS).

Consultation

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

Financial

All costs associated with the proposed closure will be borne by the applicant.
