**Advice**

Advice will be updated after the meeting.

**Background**

Condition 14 of D/2016/1159 for the approved development at 131-135 Murray Street, requires the developer to make a submission to the Local Pedestrian, Cycling and Traffic Calming Committee to change kerb side parking arrangements.

**Comments**

Development Application D/2016/1159 approved the redevelopment of 131-135 Murray Street to a hotel. The approved development has no on-site parking and Condition 14 requires the developer to make a submission to the Committee to change parking.

The kerb space on the western side of Murray Street, outside 131-135 Murray Street, is signposted as "Works Zone 7.30am-5.30pm Mon-Fri 7.30am-3.30pm Sat" and "1P Ticket Other Times Permit Holders Excepted Area 20".

In order to service the hotel and its guests, it is proposed to reallocate parking in front of the hotel as "No Parking".

### **Consultation**

The Development Application was consulted with the local community.

### **Financial**

All costs associated with the proposal will be borne by the Applicant.
