Advice

Advice will be updated after the meeting.

Background

The Development Consent for 169-171 Botany Road, Waterloo (D/2015/991/B) requires that the Applicant submits a signage plan for kerbside parking arrangements along the site's frontage in Cope Street, to be referred to the Local Pedestrian, Cycling and Traffic Calming Committee.

Comments

The redevelopment of 169-171 Botany Road, Waterloo has been approved.

The kerb space on the western side of Cope Street, along the rear frontage of the above development site, south of John Street, where the changes are proposed, is currently unrestricted for parking.

It is proposed to install new parking restrictions to reflect the change in the adjacent land use. As such, it is proposed to install "2P 8am-10pm Mon-Fri" along the frontage of the redevelopment site in Cope Street. This change would match similar restrictions in the nearby area and comply with the City's Neighbourhood Parking Policy.

Consultation

The Applicant must notify adjacent properties at least seven days prior to the implementation of the changes.

Financial

All costs associated with the parking changes will be borne by the applicant.

TONY LY, SENIOR TRAFFIC ENGINEER
