Figure 1 consists of two schematic diagrams. The top diagram, labeled 'ATC', shows a sequence of 10 blocks numbered 1 to 10. The blocks are arranged in a row, with block 1 on the left and block 10 on the right. The total length of the sequence is indicated as 10. The bottom diagram, labeled 'ATC-EQ', shows a sequence of 10 blocks numbered 1 to 10. The blocks are arranged in a row, with block 1 on the left and block 10 on the right. The total length of the sequence is indicated as 10. The ATC-EQ is a modified version of the ATC, where the blocks are rearranged to form a single continuous sequence.
