Advice will be updated after the meeting.

**Background**

A visitor who works in the Pyrmont has requested consideration to improve parking for motor bikes in Bulwara Road, Pyrmont.

**Comments**

The kerb space on the eastern side of Bulwara Road, south of Pyrmont Bridge Road where the parking change is proposed, is signposted as "No Parking".

On-site inspection shows that the "No Parking" zone is adjacent to a driveway and as such can be reallocated as "P Motor Bike Only".

### **Consultation**

The City consulted local residents and businesses in the area. There were 569 letters sent out with two responses supporting the proposal and one response opposing the proposal due to concerns about noise.

The motor bike parking is proposed to be installed outside a business/industrial building and about 35 metres away from residential properties.

### **Financial**

Funds are available in the current budget.
