Advice

Advice will be updated after the meeting.

Background

The City has reviewed parking restrictions in Foveaux Street, Surry Hills, just east of Terry Street, and is considering a proposal to improve access to on-street parking for delivery and service vehicles during business hours and for visitors to the area in the evening.

Comments

The kerb space on the southern side of Foveaux Street, east of Terry Street, where the changes are proposed, is currently signposted as "No Parking". This restriction was originally provided for set-down and pick-up operations for the adjacent building however, the building has been recently refurbished and no longer requires this facility.

To improve access to on-street parking for delivery and service vehicles during business hours and for visitor to the area in the evening, it is proposed to reallocate the "No Parking" area as "Loading Zone Ticket 8am-6pm Mon-Fri" and "4P Ticket 6pm-10pm Mon-Fri, 8am-10pm Sat, Sun & Public Holidays".

On-site inspection has identified a need for additional access for loading vehicles in the area.

Consultation

The City consulted local residents and businesses in the area. There were 96 letters sent out with no responses supporting or opposing the proposal.

Financial

Funds are available in the current budget.
