**Advice**

Advice will be updated after the meeting.

**Background**

Vigilant Group has requested the temporary installation of a "No Parking 8.30am-8.30pm Mon-Fri" restriction on the southern side of Wilson Street, Darlington, west of Codrington Street, between Monday 11 May 2020 and Friday 15 May 2020, to provide a safe drop-off zone for taxis and hire cars during the 2020 Mercedes-Benz Fashion Week Australia.

**Comments**

The provision of a temporary “No Parking 8.30am-8.30pm Mon-Fri” restriction, adjacent to Carriageworks, in Wilson Street, Darlington for the Mercedes-Benz Fashion Week Australia event has been installed during previous years events. This year's event will occur between Monday 11 May 2020 and Friday 15 May 2020. This temporary restriction will provide a drop-off zone, 12 car spaces in length (including the existing 'No Parking' zone, for taxis and hire cars).

The kerb space on the southern side of Wilson Street, west of Codrington Street, where the parking change is proposed, is currently a combination of "No Parking 10am-11pm" and unrestricted for parking

The proposal has been amended from previous years to provide the set-down area to the west of Codrington Street to reduce the number of taxis and hire cars completing U-turns in the street to access the drop-off area.

The temporary restriction will be used for drop-off only. No taxi ranking will be permitted. The picking-up of passengers by taxis and hire cars will occur within the Carriageworks site. Vigilant Group will provide traffic control and encourage visitors to attend the event using public transport.

**Consultation**

The Applicant will be required to notify affected stakeholders at least seven days prior to the installation of the temporary signage.

**Financial**

All costs associated with the temporary signposting will be borne by the Applicant.
