**Advice**

Advice will be updated after the meeting.

**Background**

City West Housing has requested consideration of a temporary loading zone in Ross Street, Forest Lodge, to assist residents moving into the new affordable housing development at 110-112 Ross Street.

**Comments**

Parking on the western side of Ross Street, north of Wigram Road where the temporary parking change is proposed, is signposted as "2P 8am-8pm Mon-Fri Permit Holders Excepted Area G".

The affordable housing development at 110-112 Ross Street is scheduled for completion at the end of May 2020.

To assist residents moving into the apartments, it is proposed to temporarily reallocate the 2P parking as "Loading Zone 8am-6pm Mon-Sat".

The current 2P permit parking restriction will be reinstated when residents have moved into the affordable housing development and the temporary Loading Zone is no longer required.

**Consultation**

Community consultation has not been carried out as the proposed parking change is temporary and will be removed when residents have moved into the affordable housing development.

**Financial**

All costs associated with the parking change will be borne by City West Housing.
