Item 11.

Road Works - Temporary Road Closure - Hansard Street, Zetland

TRIM Container No.: 2020/230280

Recommendations

It is recommended that the Committee endorse the temporary road closure of Hansard Street, Zetland between Portman Street and Joynton Avenue from 7:30am on Thursday 16 July 2020 to 5.30pm on Wednesday, 30 December 2020 (inclusive) subject to the following conditions:

(A) The Applicant must comply with the temporary road closure conditions as mentioned in Schedule B of this agenda.

(B) The Applicant must comply with any other conditions imposed by City’s Construction Regulation Unit.

(C) The Applicant must contact the South Sydney PAC to discuss deployment of user pay police for the road closure.

(D) The Applicant must provide a telephone number of the supervisor responsible for the proposed closure and include contact details in the notification letters to be distributed to affected stakeholders.

Advice

Advice will be updated after the meeting.

Background

The City is proposing to extend the temporary road closure of Hansard Street, Zetland between Portman Street and Joynton Avenue, from 16 July 2020 to Wednesday, 30 December 2020 (inclusive).

A previous approval was granted for the temporary road closure, however during construction works, the contractor faced unforeseen issues with existing utilities causing the need for design changes and extending the time the project has taken to complete. As a result, the temporary road closure in Hansard Street is required to be extended for a longer period.

Comments

The proposed temporary road closure is required to enable the contractor to undertake drainage reconstruction along Joynton Avenue. The work in Joynton Avenue involves traffic being moved from the western side of street to the eastern side and this necessitates access into or out of Hansard Street being closed.

This closure is required until project completion to reduce congestion and improve safety for pedestrians and motorists in Hansard Street.

The Applicant has provided a site-specific Traffic Control Plan that includes details of barricades, signs, flagmen and other traffic devices to implement the proposed road closure.

The temporary road closure will not affect any other properties, as local access will be provided at all times and alternative access routes are available nearby.

A Traffic Management Plan (TMP) for the temporary road closure was approved by Transport for NSW (TFNSW).

Consultation

The Applicant will be required to notify affected stakeholders as stipulated in Schedule B.

Financial

All costs associated with the proposed closure will be borne by the applicant.

SARAH JEDID, CONTRACT ADMINISTRATOR
