Public Presentation of the 2019/20 Financial Statements and Auditor's Report

File No: X018037

Summary

This report presents the City of Sydney's Annual Financial Statements for 2019/20, along with the auditor's reports, to the public.

At the Council Meeting on 26 October 2020, Council received the Annual Financial Statements and unmodified Auditor's Reports. Council resolved that notice be given for public presentation of the Statements at the Council Meeting on 16 November 2020. At the time of preparing this report no submissions have been received from the public.

As noted in the 26 October 2020 Council report, the Income Statement for the year ended 30 June 2020 shows a Net Surplus (Net Operating Result) for the year of \$105.7M, in accordance with relevant accounting standards and reporting requirements, against a budget of \$36.5M. The Statement of Financial Position reports Net Assets of \$14.3B, an increase of \$2.2B over the year, primarily due to an increase in asset revaluation reserves associated with the revaluation of a number of land and infrastructure asset classes.

The City's external auditor, The Audit Office of New South Wales, addressed the Corporate, Finance, Tenders and Properties Committee on 19 October 2020 and confirmed the City's strong and stable financial position.

Recommendation

It is resolved that Council:

- (A) present the 2019/20 Annual Financial Statements and Auditor's Reports to the public;
and
- (B) adopt the 2019/20 Annual Financial Reports subject to the receipt of any submissions over the ensuing seven day period.

Background

1. The 2019/20 Annual Financial Statements and the auditor's reports were presented to Council on 26 October 2020.
2. The City's external auditor, The Audit Office of New South Wales, issued an unmodified opinion on the City's Annual Financial Statements for 2019/20.
3. Public notice, via the Sydney Your Say website, commencing on 29 October 2020, was given to advise that the Annual Financial Statements and auditor's reports would be presented to the public at the Council meeting of 16 November 2020 (Corporate, Finance, Properties and Tenders Committee meeting on Monday 9 November 2020).
4. A copy of the Annual Financial Statements incorporating the auditors' reports are provided as Attachment A to this report.
5. The Local Government Act 1993 states that any person may make submissions to the Council in respect to the Annual Financial Statements or auditor's reports. Submissions must be made in writing and submitted to Council within seven days after the date on which the reports are presented to the public. Council must ensure that any submissions are forwarded to the auditor.
6. Effective measurement and monitoring of a range of relevant performance indicators, particularly those related to asset management, remains an ongoing challenge. The City supports the ongoing effort to assess and report each council's financial and asset management sustainability, and will continue to work with the Office of Local Government to refine the definition and appropriate benchmarks set for financial indicators. In the interim, the City has reported all mandatory indicators, and additional (supplementary) indicators where it believes these provide more relevant information for the readers of the financial statements.
7. The City is also continuing to seek to work with the Audit Office and the Office of Local Government to improve financial reporting in the local government sector. For example, there is a need to develop transparent approaches to fixed asset valuation that meet Australian Accounting Standards and are consistently and predictably applied across the sector. Valuation adjustments, which are notional book entries and non-cash in nature, can have a very significant impact on the financial position of a council.

Key Implications

8. The audited Annual Financial Statements are to be presented to the public at the Council meeting of 16 November 2020.
