Gateway Determination

Planning proposal (Department Ref: PP_2020_SYDNE_003_00): to amend Clause 6.25 of the Sydney Local Environmental Plan 2012 for 55 Pitt Street, Sydney.

I, the Director, Eastern District (City of Sydney) at the Department of Planning, Industry and Environment, as delegate of the Minister for Planning and Public Spaces, have determined under section 3.34(2) of the *Environmental Planning and Assessment Act 1979* (the Act) that an amendment to the Sydney Local Environmental Plan (LEP) 2012 should proceed subject to the following conditions:

1. Prior to community consultation the planning proposal is to be revised to provide justification on the consistency with section 9.1 Directions 6.3 Site-Specific Provisions and 3.5 Development Near Licensed Aerodromes.
2. Public exhibition is required under section 3.34(2)(c) and schedule 1 clause 4 of the Act as follows:
 - (a) the planning proposal must be made publicly available for a minimum of **28 days**;
 - (b) the planning proposal authority must comply with the notice requirements for public exhibition of planning proposals and the specifications for material that must be made publicly available along with planning proposals as identified in section 6.5.2 of *A guide to preparing local environmental plans* (Department of Planning and Environment, 2018); and
 - (c) All landowners in the APDG block, Ausgrid and Telstra are to be given notice of the planning proposal and public exhibition.
3. Consultation is required with the following public authorities/organisations under section 3.34(2)(d) of the Act and/or to comply with the requirements of relevant section 9.1 Directions:
 - Heritage Council of NSW;
 - Sydney Water;
 - Sydney Airport Corporation;
 - Airservices Australia;
 - Commonwealth Department of Infrastructure, Cities and Regional Development;
 - Civil Aviation Safety Authority; and
 - Transport for NSW.
4. A public hearing is not required to be held into the matter by any person or body under section 3.34(2)(e) of the Act. This does not discharge Council from any obligation it may otherwise have to conduct a public hearing (for example, in response to a submission or if reclassifying land).

5. The time frame for completing the LEP is to be **12 months** following the date of the Gateway determination.
6. The planning proposal authority is authorised as the local plan-making authority to exercise the functions under section 3.36(2) of the Act subject to the following:
 - (a) the planning proposal authority has satisfied all the conditions of the Gateway determination;
 - (b) the planning proposal is consistent with section 9.1 Directions or the Secretary has agreed that any inconsistencies are justified; and
 - (c) there are no outstanding written objections from public authorities.

Dated 22 day of June 2020.

Dear Ms Barone

Planning proposal PP_2020_SYDNE_003_00 to amend Sydney Local Environmental Plan 2012 for 55 Pitt Street, Sydney

I am writing in response to Council's request for a Gateway determination under section 3.34(1) of the *Environmental Planning and Assessment Act 1979* (the Act) in respect of the planning proposal to amend Clause 6.25 'APDG Block' of Sydney Local Environmental Plan 2012 for the site known as 55 Pitt Street, Sydney.

As delegate of the Minister for Planning and Public Spaces, I have now determined that the planning proposal should proceed subject to the conditions, enclosed is the Gateway determination.

It is noted that Council has requested to be authorised as the local plan-making authority. I have considered the nature of Council's planning proposal and have conditioned the Gateway for Council to be authorised as the local plan-making authority.

Amending the local environmental plan (LEP) is to be finalised within 12 months of the date of the Gateway determination. Council should aim to commence the exhibition of the planning proposal as soon as possible. Council's request to draft and finalise the LEP should be made directly to Parliamentary Counsel's Office six weeks prior to the projected publication date. A copy of the request should be forwarded to the Department of Planning, Industry and Environment.

The State government is committed to reducing the time taken to complete LEPs by tailoring the steps in the process to the complexity of the proposal, and by providing clear and publicly available justification for each plan at an early stage. In order to meet these commitments, the Minister may take action under section 3.32(2)(d) of the Act if the time frames outlined in this determination are not met.

Should you have any enquiries about this matter, I have arranged for Mr Luke Thorburn, Planning Officer, to assist you Mr Thorburn can be contacted on (02) 8275 1283.

Yours sincerely

22 June 2020
