## PURPOSE OF THE STUDY

The purpose of this study was to document a number of key streets in the City of Sydney CBD in terms of current built form condition, height, street frontage height, setbacks and location of heritage items.

The report is divided into:

1. East West Streets;
2. North South Streets; and
3. Detail Sections

This information has been used to inform the Street Frontage Height and Setbacks Study and Special Character Area Study contained in Appendices D and E.
