**Waterloo South Planning Proposal Request
- Land and Housing Corporation**

Attachment B: Waterloo South Planning Proposal - NSW Land and Housing Corporation

This Attachment provides the documentation provided by NSW Land and Housing Corporation (LaHC) in their planning proposal request made to the City in May 2020.

The documentation is included in full to enable comparison between LaHC's planning proposal request and the City's Planning Proposal.

In preparing the Planning Proposal, the City was informed by the technical studies provided by LaHC and the Consultation and Visioning Report, prepared by Elton Consulting on behalf of LaHC.

Given the similarities between LaHC's planning proposal request and the Planning Proposal, most of the technical studies provided relevant guidance and do not require update to inform the Planning Proposal.

This Attachment is provided in 56 parts, including:

- Appendix 1 – Planning proposal request (LaHC)
- Appendix 2 - Planning Proposal Report
