**Advice**

Advice will be updated after the meeting.

**Background**

A Development Consent condition requires the Developer of 184-186 Rochford Street, Erskineville to submit a signage plan for kerbside parking along the site's frontage to be referred to the Local Pedestrian, Cycling and Traffic Calming Committee for consideration and endorsement.

## **Comments**

The City has approved the redevelopment of 184-186 Rochford Street, Erskineville.

The kerb space on the eastern side of Rochford Street, south of Devine Street, where the changes are proposed, is currently a driveway and signposted as "No Parking".

It is proposed to remove the existing driveway and update the parking restrictions to "2P 8am-6pm Mon-Fri, Permit Holders Excepted Area 36". The proposed restriction is consistent with the adjacent parking controls and the restrictions recommended in the Neighbourhood Parking Policy.

The redevelopment of the site, and a Condition of Development Consent, also includes the construction of a new driveway in Rochford Street.

## **Consultation**

The Applicant must notify adjacent properties at least 14 days prior to the implementation of the changes.

## **Financial**

Funds are available in the current budget.
