Advice

Advice will be updated after the meeting.

Background

The City has received a submission from a resident of Mandible Street to remove a parking space between two driveways and replace with Motorbike Parking.

Comments

The kerb space on the southern side of Mandible Street, Alexandria west of Wyndham Street, where the changes are proposed, is currently signposted as "2P 8am-8pm".

Residents have advised that when a vehicle is parked in the small space between two driveways, it becomes difficult entering and exiting the adjacent carparks therefore, it is proposed to introduce “P Motorbike Only” restriction in this area.

The proposed parking changes would only allow motorbikes to park where the signs are installed and would keep access and visibility clear at the driveways.

Consultation

The City consulted local residents and businesses in the area. There were six letters sent out with no responses supporting or opposing the proposal.

Financial

Funds are available in the current budget.
