

Item 21.**Parking - Loading Zone - Elizabeth Street, Redfern**

TRIM Container No.: 2021/089532

Recommendations

It is recommended that the Committee endorse the reallocation of parking on the western side of Elizabeth Street, Redfern between the points 10 metres and 19 metres (one car space) north of James Street as "Loading Zone 8am-6pm Mon-Fri".

Advice

Advice will be updated after the meeting.

Background

The City has received a request from a local business (hotel) for a Loading Zone to assist with deliveries.

Comments

The kerb space on the western side of Elizabeth Street, Redfern north of James Street, where the changes are proposed, is currently signposted as "No Stopping".

It is proposed to introduce a "Loading Zone 8am-6pm Mon-Fri" in front of their business to assist with deliveries.

Traffic on Elizabeth Street, Redfern is restricted to one-way southbound. The Hotel frontage in Elizabeth Street between Cleveland and James Streets is on the departure side of signals, opposite a right turn only lane. As a result, no traffic enters the traffic lane adjacent to the hotel.

Transport for New South Wales has agreed "in principle" to install a loading zone at this location.

Consultation

The City consulted local residents and businesses in the area. There were 224 letters sent out with three response supporting the proposal and no responses opposing the proposal.

Financial

Funds are available in the current budget.

HASSAN CHOUDHRY, SENIOR TRAFFIC ENGINEER
