

THE ROCKS

TEMPORARY NORTHBOUND LANE CLOSURE

Proposed north bound closure between Globe St and Argyle St. Creating short term activation zone

KEY BENEFITS

Extended outdoor trade opportunities for key food and beverage retailers

Increased pedestrian space for activation including street performers, brand activations, public art and greenery

Opportunities to enhance cycle transport to the precinct to ease pressure on roads and public transport, allowing for designated bike parking areas

Greater integration opportunities with The Rocks Markets in the wider precinct

South bound traffic from **Hickson Road** maintained to the Oversea Passenger Terminal for cruise ship operations (OPT)

Existing taxi / ride-share zones maintained

George Street vehicle loading zones relocated approximately 50m south from existing southern loading zone

Access for **155 George Street** car park maintained

North bound traffic on **George Street** diverted at **Essex Street** to **Cumberland Street** excluding Four Seasons Hotel vehicles, access to the hotel maintained for small vehicles

George Street police parking temporary relocated to **Argyle street**

Existing mail zone maintained via managed access provided by PMNSW
