SUBJECT: Information Relevant To Item 7.2 – Public Exhibition - Environmental Strategy 2021-2025 –

For Noting

This memo is for the information of the Lord Mayor and Councillors.

Background

At the meeting of the Environmental Committee on 10 May 2021, during discussion of Item 7.2 – Public Exhibition - Environmental Strategy 2021-2025, Councillors requested further information about the City's residential waste targets, and performance ranking (against NSW Government rankings).

Page 12 of the Draft Environmental Strategy 2021-2025 lists the local government area targets, including waste targets to 2030. The most recent available data is also reported. The City's targets are aligned to the NSW Government targets included in the Waste Avoidance and Resource Recovery Strategy 2014-2021. The City anticipates that the NSW Government will set new waste targets in the forthcoming 20-year Waste Strategy.
