Background

On 2 October 2020, the City and NSW Government announced a \$20 million joint funding partnership to boost the city centre economy, support businesses and creatives and invite the public safely back into the city.

Comments

At the LPCTCC meeting on 19 November 2020, the City presented to the Committee an overview of the Alfresco dining program. One of the initiatives included reallocating the road space to install an outdoor dining area in front of businesses. The City informed that it would seek out-of-session endorsement from the Committee for the temporary reallocation of kerb space for an outdoor dining area.

Since November 2020, the City has installed 38 outdoor dining areas in various City streets.

The table below outlines the locations of the outdoor dining areas installed since April 2020:
