Advice

Advice will be updated after the meeting.

Background

Sasco Development has requested a 12 metre long Works Zone in Ralph Street, Alexandria.

The Works Zone is to facilitate construction works at 5 Ralph Street, Alexandria.

Comments

The kerb space on the eastern side of Ralph Street, Alexandria, south of Beaconsfield Street, where the changes are proposed, is currently unrestricted for parking.

The Works Zone is intended to operate from 7.30am to 5.30pm Monday to Friday and from 7.30am to 3.30pm on Saturday, in accordance with the Development Consent Conditions.

Ralph Street is approximately 12.8 metres wide. Under existing conditions, where the changes are proposed, vehicles park on both sides of the street, which reduce the trafficable lane for two-way flow to an approximately width of 7.8 metres. The remaining width is allocated for on-street parking.

Consultation

The applicant must notify adjacent properties at least 14 days prior to the implementation of the Works Zone.

Financial

All costs associated with the Works Zone will be borne by the Applicant.
