A liability arising under or in connection with this document is limited to and can be enforced against the Trustee only to the extent to which it can be and is in fact satisfied out of property of the Trust from which the Trustee is actually indemnified for the liability. Subject to clause 15.1(c), this limitation of the Trustee liability applies despite any other provision of this document and extends to all liabilities and obligations of the Trustee in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to this document.
- (c) No party to this document may sue the Trustee in any capacity other than as the Trustee of the Trust, including seeking the appointment of a receiver (except in relation to property of the Trust), a liquidator, an administrator or any similar person to the Trustee or proving in any liquidation, administration or arrangement of or affecting the Trustee (except in relation to property of the Trust).

- (b) Any type of additional floor space under clauses 6.4 to 6.9 of the Sydney LEP (excluding any below-ground floor space under the Restrictive Covenant in Item 3 in the table in clause 1 of Schedule 3).

2. INDEXATION OF RATES

Where:

A is the Index Number most recently published before the date the Monetary Contribution is to be paid

B is the Index Number most recently published before the date this agreement commenced in accordance with clause 3.1 of this document

3. PAYMENT

Payment will be by unendorsed bank cheque to the City prior to issue of any Construction Certificate for the Development. In circumstances where no construction certificate is required at all for the Development, payment is required prior to commencement of construction works for the Development.

ANNEXURE B

AFFORDABLE HOUSING MONETARY CONTRIBUTION

(Clause 5 and Schedule 3)

1. BASE MONETARY CONTRIBUTION

The base Monetary Contribution for Affordable Housing is as follows:

- 0.5% x Total Floor Area x \$10,588* – where Development Consent is determined between 1 June 2020 to 31 May 2022

- space for the loading and unloading of goods, and
- space used for public utility undertakings, community facilities or roads.

2. INDEXATION OF RATES

Adjustments are to be made to the Monetary Contribution Rates in clause 1 of this **Annexure B** to account for movements in the cost of housing over time on a quarterly basis, within one week of the first days of March, June, September and December each year.

Rates are adjusted with reference to movements in the median price for strata dwellings in the City of Sydney LGA. The median strata dwelling price is published quarterly in the NSW Government Rent and Sales Report, Table: Sales Price – Greater Metropolitan Region – Strata.

The formula for adjusting the contribution amount is:

Monetary Contribution = Base Contribution Amount x (MDP2/MDP1)

Where:

Base Contribution Amount is the amount calculated in accordance with clause 1 of this **Annexure B**, based on the contribution rates applicable at the time of lodgement of the DA.

MDP1 is the median strata dwelling price applied on the date this agreement commenced in accordance with clause 3.1 of this document.
