

Item 20.**Parking - No Parking - Christies Lane, Zetland**

TRIM Container No.: 2021/339361

Recommendations

It is recommended that the Committee endorse the reallocation of parking on the western side of Christies Lane, Zetland, between Merton Street and the southern dead end of the street as "No Parking".

Advice

Advice will be updated after the meeting.

Background

Residents have requested a review of parking restrictions in Christies Lane, Portman Street, Hansard Street, Merton Street, Tosh Lane and Portman Lane to clarify and reduce restrictions on parking controls. The requests include clarifying restrictions and signage in Christies Lane.

Comments

Christies Lane is a dead-end lane and contains rear access driveways for properties along Portman Street and Elizabeth Street. The kerb space on both sides of Christies Lane is currently signposted as "No Stopping".

Residents have requested clarification of the parking controls at this location. As such, it is proposed to signpost the western kerb space as "No Parking".

The installation of "No Parking" on the western side of Christies Lane will enable the residents to quickly drop-off and pick up in the lane without blocking access.

Consultation

The City consulted local residents and businesses in the area between 20 May 2021 to 10 June 2021. A Sydney Your Say webpage and interactive map were created as part of the consultation. 240 letters were distributed, an email was sent to 305 stakeholders and an online community briefing was held on 31 May 2021. The following pieces of feedback were received:

- (i) 32 email submissions
- (ii) 195 pieces of feedback were received from 29 people on interactive map
- (iii) 2 petitions regarding parking on Hansard Street

The changes to Christies Lane was generally supported by the residents during the consultation.

Financial

Funds are available in the current budget for Green Square Town Centre Infrastructure works.
