Advice

Advice will be updated after the meeting.

Background

Residents have also requested a review of parking restrictions in Portman Street, Hansard Street, Merton Street, Tosh Lane, Christies Lane and Portman Lane to clarify and reduce restrictions on parking controls. The requests include clarifying restrictions and signage in laneways.

Comments

Portman Lane is a Shared Zone and contains rear access driveways for properties along Portman Street. The NSW Road Rules do not permit a driver to park in a Shared Zone unless within a marked bays. The kerb space on the eastern side of Portman Lane is currently not signposted.

Residents have requested clarification of the parking controls at this location. As such, it is proposed to signpost the kerb space as "No Parking".

The installation of "No Parking" on the eastern side of Portman Lane will enable the residents to quickly drop-off and pick up in the lane without blocking access.

Consultation

The City consulted local residents and businesses in the area between 20 May 2021 to 10 June 2021. A Sydney Your Say webpage and interactive map were created as part of the consultation. 240 letters were distributed, an email was sent to 305 stakeholders and an online community briefing was held on 31 May 2021. The following pieces of feedback were received:

- (i) 32 email submissions
- (ii) 195 pieces of feedback were received from 29 people on interactive map
- (iii) 2 petitions regarding parking on Hansard Street

The changes to Portman Lane was generally supported by the residents during the consultation.

Financial
