**Advice**

Advice will be updated after the meeting.

## Background

The Kirketon Road Centre is operated by the NSW South Eastern Sydney Local Health District and provides free medical care to the community in Kings Cross.

The Kirketon Road Centre has requested consideration for an additional dedicated parking space in Craighend Street and access to parking closer towards the centre in Victoria Street to improve services to the community.

## Comments

The northern side of Craighend Street, between Victoria and Royston Streets, is restricted as 1P permit parking, car share, "No Stopping Authorised Vehicles Excepted" and "No Parking". The parking space signposted as "No Stopping Authorised Vehicles Excepted" is allocated for the Kirketon Road Centre.

To provide an additional dedicated parking space and access to parking closer towards Victoria Street for the Kirketon Road Centre, it is proposed to reallocate the first three 1P permit parking spaces in Craighend Street, east of Victoria Street, as "No Stopping Authorised Kirketon Road Centre Vehicles Excepted". The "No Stopping Authorised Vehicles Excepted" space will be reallocated as "1P 8am-10pm Mon-Fri Permit Holders Excepted Area 19".

## Consultation

The City consulted local residents and businesses in the area. There were 392 letters sent out with no responses supporting or opposing the proposal.

## Financial

Funds are available in the current budget.
