

Item 6.**Works Zone - Wyndham Street, Alexandria**

TRIM Container No.: 2021/383210

Recommendations

It is recommended that the Committee endorse the extension of the existing works zone on the western side of Wyndham Street, Alexandria, between the points 91 metres and 100.6 metres south of Henderson Road as "Works Zone 7.30am-5.30pm Mon-Fri 7.30am-3.30pm Sat", subject to the following conditions.

- (A) The Applicant must comply with the Works Zone conditions as stipulated in Schedule C of this agenda.
- (B) The Applicant must obtain separate approval from the City's Tree Management Team prior to implementation of the Works Zone.
- (C) The Applicant is not permitted to operate any part of a crane over a public road or hoist/swing goods from a Works Zone across or over any part of a public road by means of a lift, hoist or crane unless a separate approval has been obtained from the City's Construction and Building Certification Services Unit as required under Section 68 of the Local Government Act 1993 and Section 138 of the Roads Act 1993.
- (D) The Applicant must notify adjacent properties of the Works Zone at least 14 days prior to installation and must provide a telephone number of the supervisor responsible for the proposed Works Zone and include contact details in the notification letter to be distributed to affected stakeholders.

Advice

Advice will be updated after the meeting.

Background

Decon Australia Pty Ltd has requested an extension of the existing works zone by 9.6 metres in Wyndham Street.

The Works Zone is to facilitate construction works at 75-83 Wyndham Street, Alexandria.

Comments

The kerb space on the western side of Wyndham Street, Alexandria between Buckland Street and Henderson Road is currently signposted as "2P 8am-6pm Mon-Fri Permit Holders Excepted Area 36" with a driveway into the site that is currently not used.

The Works Zone is intended to operate from 7.30am to 5.30pm Monday to Friday and 7.30am to 3.30pm Saturday in accordance with the Development Consent Conditions.

The street is wide enough to allow the Works Zone to be installed without affecting traffic flow or property access.

Consultation

The applicant must notify adjacent properties at least 14 days prior to the implementation of the Works Zone.

Financial

All costs associated with the Works Zone will be borne by the Applicant.
