#### 5.2 Petitions

##### (a) Build a Bridge Petition

Councillor Scott gives notice that, at the meeting of Council on Monday, 18 October 2021, she will table and speak to a petition (with over 450 signatures) with the following terms:

##### *What a difference a bridge would make*

The number of people living and working in and around the rail corridor from Redfern to Erskineville is growing rapidly.

Along with that goes more walking and cycling - healthy modes of transport we all want to encourage.

One problem though is the great length of the corridor, requiring very long journeys around the perimeter.

For a long time a bridge has been proposed in planning for North Eveleigh to remedy this, and we believe that with Transport for NSW reviewing plans for this site the time has come to build it.

We need an active transport corridor to connect Waterloo Metro, Alexandria and South Eveleigh on one side, to Carriageworks, North Eveleigh, Darlington and Sydney University on the other.

We therefore call upon the Minister for Transport to approve the construction of this bridge as a matter of priority.

This campaign is a joint campaign of three groups: REDWatch, Alexandria Residents Action Group and Friends of Erskineville.

#### Recommendation

It is resolved that the Petition be received and noted.
