**Advice**

Advice will be updated after the meeting.

**Background**

The City has received a request to review parking restrictions on Hayes Road, Rosebery to increase parking turnover by extending the operating hours of the existing ½ hour parking zone during weekdays.

**Comments**

The kerb space on southern side of Hayes Road, Rosebery east of Botany Road, where the changes are proposed, is currently signposted as "1/2P 8am-3pm Mon-Fri".

Hayes Road is 12.8 metres with a single traffic lane in each direction and kerbside parking provided on both sides of the road.

Businesses in Hayes Road have complained that their clients are having trouble finding parking near their businesses especially after 3pm.

Currently, the southern side of Hayes Road reverts from 1/2-hour parking to unrestricted parking after 3pm Monday to Friday.

Therefore, it is proposed to update the existing parking restrictions to "1/2 P 8am-6pm Mon-Fri".

This will increase parking turnover and improve access to on-street parking for visitors to the area.

**Consultation**

The City consulted residents and businesses in the area. There were 91 letters sent out with no responses supporting or opposing the proposal.

**Financial**

Funds are available in the current budget.
